

TOUCHLINES

JANUARY 2013

Canadian National team members train with our girls!

NEW YEAR. NEW LOGO...

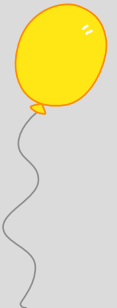

Well, sort of. With an abundance of logos floating around and new programs being implemented, it is time to officially establish the NSGSC logo.

Here it is! Along with the standard logo, are the program specific logos. These will be used on our promotional material and gear and are now

available at Macey's for any equipment your team may be ordering. They will also be available for downloading on our website shortly.

2013!

And back to soccer!

LOOKING FOR AN OPPORTUNITY TO GET INVOLVED IN YOUR NSGSC WOMEN'S PROGRAM? NEED SOME VOLUNTEER EXPERIENCE?

The NSGSC Women's Program is seeking a volunteer for the newly created position of Women's Registrar. This volunteer will be responsible for the registration of all NSGSC Women's teams in the four leagues of women's play. The volunteer will work closely with Mac Nelson, the current Women's AGC, to learn the ropes with the goal of being independent for the 2013-2014 soccer season. Interested parties, please contact Dominique Falls, Women's VP at womensvp@nsgsc.ca

STREET SOCCER A SUCCESS

Oliver practicing his new moves

To kick start the official launch of the new program tentatively titled, Street Soccer, the NSGSC hosted a pilot project that began on November 10. The program is for all girls and boys between the ages of 6-17 who do not feel comfortable with or are unable to play on existing North Vancouver soccer teams and includes youth with developmental delay or disabilities. Street Soccer is a model organized around small

groups of players who gather once a week, for a training session and a "pick up game" with other teams "on the Street". It will take place indoors at The Bubble. Please e-mail Margo at accounting@nsgsc.ca if you would like to receive more information about this program.
