Selection process

Districts and clubs are expected to form teams from all registrants each year in a manner which is "non-selective" at the following age groups Under 6, Under 7, Under 8, Under 9 and Under 10. No teams should retain all players from the previous year, thereby making a select team.

Player Selections via an Evaluation Process Under 11 and Under 12

At the Under 11 and Under 12 age groups districts and clubs should form teams based on the grouping together of likeminded players which includes ability. This grouping must be conducted and implemented via an ongoing evaluation process. The ongoing sustainable evaluation process must be conducted by the District Head Coach, Club Head

Coach or Club Technical Director supported by the Club's coaching staff is mandatory in the evaluation and selection of players. It is important to realize that District's and Club's goal should not be to group together likeminded players in order to create a "winning team" at the U13 age group. But rather those likeminded players develop as individuals playing with and against players of equal ability. All Districts and Clubs should encourage that all games are played in a competitive atmosphere whereby the result is not a factor. Players develop by playing in likeminded competitive games as apposed to games where the result is seen to be more important that the players' individual needs.

This Evaluation process must replace the one or two session tryout process. Player Selection via a competition format (tryout process) is NOT to the benefit of the player and nor is it conducive to Player Development. The Evaluation Process should be a process where by the players being evaluated are grouped into teams of like mindedness and ability.

How should this process be carried out?

The initial evaluation of the Under 11 age group must start at the beginning of the season at the Under 10 age group. The evaluation process for the Under 12 age group must start at the beginning of the season at the U11 age group.

The evaluation and selection of these age groups should be conducted through the following means:

Continual Seasonal In-Club Team Scouting
Club Academy or Club Program's of Excellence Monitoring
Ongoing Club Evaluation Process - Camps

Evaluation Process

To assist the coach of the Under 11 and Under 12 age groups within the Club, it is a recommendation that a series of evaluation camps be held throughout the season. This will provide the coaches and their staff an opportunity to assess the player's capabilities and potential of participating within the 8 a-Side program.

No single opportunity try-out.

In all Small Sided Games programming the emphasis shall be placed on development, fun, sportsmanship, education, and respect for teammates, the opponents and officials.
