### Select Soccer in the U15 to U18 Age Groups for the 2016-2017 Season

Dear Soccer Player:

You are invited to apply to play for one of our club's Select teams for the upcoming season. In order to do so, you will need to be selected for one of these teams through an evaluation process.

Our Development Managers and your Coach have been evaluating your play, attitude and level of commitment throughout the course of this past season.

If you wish to play at a **higher level next season** (Division 3 to Division 2 or Division 2 to Division 1), please e-mail the try-out director as soon as possible (no later than January 31<sup>st</sup>) at [tryouts@nsgsc.ca](mailto:tryouts@nsgsc.ca). **Indicate your name, current team and level you aspire to play at next season.** The Try-out Director will arrange for you to attend some training sessions with the higher level team(s) so you can be further evaluated during February. If you are not sure about your ability to play at a higher level, talk to your Coach and/or Development Manager.

If wanting to play up next year please fill out this online form:

[http://northshoresocceracademy.com/Online\\_Forms/Non-Select-Play-Up.html](http://northshoresocceracademy.com/Online_Forms/Non-Select-Play-Up.html)

**If you wish to continue you to play at your current level and team**, then you just need to register for the next season:

Division 1 and 2 (select) – register at [www.nsgsc.ca](http://www.nsgsc.ca) by March 31<sup>st</sup>

Division 2 and 3 (non-select) – register at [www.nsgsc.ca](http://www.nsgsc.ca) by May 31<sup>st</sup>

There will be no tryouts in these age groups unless you wish to play for a Metro level team.

Metro (select) – register at [www.nsgsc.ca](http://www.nsgsc.ca) by February 26<sup>th</sup>

See try-out schedule for Metro try-out dates. There is a \$35 try-out fee for Metro.

#### Registration

- The cost for playing on a Select team is \$240 registration fee and \$125 Select fee (U15-U18). The Select fee is payable within 48 hours of accepting a position on a select team otherwise you forfeit your position and another player will be offered your spot.
- We encourage you to apply for select soccer only if you are serious about playing at a higher level and are prepared to accept the expectations and commitments associated with such a team.

Select teams play once a week and practice 1 or twice a week (depending on the coach). Select teams also are more likely to enter tournaments (which are fun!).

#### **Notification on making a Select team**

- Selected players will be contacted by their Age Group Coordinator. Each player will need to indicate whether they accept the position. The select fee of \$125 is payable within 48 hours of accepting a position on a select team otherwise you forfeit your position and another player will be offered your spot.
- For U15-U18 team formation will not be completed until approximately mid-late May.
- Once team formations are completed in each age group, the Age Group Coordinator will send an email notifying that the teams have been selected and the process is complete.
- Please do not contact the Age Group Coordinator, or Tryout Director, to find out your ranking. The purpose of the Club evaluations is to assess players to place them on appropriate teams and scores are not for public distribution.
- The Executive Board has determined the maximum number of Select teams for each age group, subject to player turn out, and will be selecting Coaches based on applications received. Where more than one team is formed, your coach could be any of the selected Coaches. Requests for specific Coaches will not be accepted.

Please carefully read all of the information provided. If you still have questions, please contact your Age Group Coordinator.

Regards,

Try-out Committee
